

“The members of **Thingwall Methodist Church** would like to thank all those who attended our Thanksgiving service & have shown their support over the last few weeks. It has been a great comfort to us. Please continue to pray for us all as we each seek a new spiritual home.” Thank you. Glenice Sudworth. Thingwall Methodist Church.

I work for Save the Children on a UK programme called Born to Read <http://www.savethechildren.org.uk/born-to-read> . Reading well is key to a child’s future but far too many children in the UK fall behind in literacy in their first few years at school & they are most likely to be from poor or disadvantaged families. We believe that every child should have the chance to fulfil their potential & learning to read is fundamental to ensuring that they get this opportunity. To address this problem Save the Children (working in partnership with the literary charity Beanstalk) are looking to recruit volunteers to regularly work on a one to one basis with primary school children who have fallen behind with their reading and we’re currently trying to recruit volunteers in your area.
