### Wirral Circuit

Kim Goh has asked that news of an Own Arrangement **Service at West Kirby** at 6:30pm on 18th September be circulated around the circuit. The service will include something of the inspirational story of Howden Clough Methodist Church in Morley, West Yorkshire (see the poster in hall) and how they approached their own story of decline in an innovative way – I understand someone from the church is coming to share their experiences. Please think about going to this service and hearing about transformation, and be open to be inspired.
